

Aadhaar Enrolment & Update

Unofficial explanatory guide compiled from verified official information. Last updated 2024-01-01. Verify on: <https://uidai.gov.in>

Introduction

12-digit unique identity number issued by UIDAI to residents of India, based on demographic and biometric data. Used as proof of identity and address and as a KYC token across government and private services.

Eligibility

Any resident of India (including infants) irrespective of citizenship status of parents for enrolment; updates available to existing holders.

Benefits

Single portable ID accepted nationwide; enables DBT, subsidy linkage, KYC, and access to many government schemes.

Documents Required

- Proof of Identity (PoI) (Mandatory)
- Proof of Address (PoA) (Mandatory)
- Date of Birth proof (Mandatory)
- Introducer / Head of Family based enrolment where documents unavailable (Optional)

Application Process

Step 1: Locate nearest Aadhaar enrolment centre / Aadhaar Seva Kendra.

Step 2: Fill enrolment/update form and submit supporting documents.

Step 3: Provide biometric (fingerprints, iris) and photograph.

Step 4: Collect acknowledgement slip with Enrolment ID (EID).

Step 5: Download e-Aadhaar once UID is generated (verify on uidai.gov.in).

Fees

Enrolment: free. Demographic update: free. Biometric update: Rs. 100 (inclusive of GST) as per UIDAI fee schedule.

Timeline

Enrolment: up to 90 days for UID generation (typically sooner). Update: up to 30 days.
